MBF STATEMENT

*We are Sound Activists, Artists and political Activists
from the Subculture and alternative Scene of Berlin.*

We do what we do because we feel the need to do it and profit is not our motivation.

You will not find us in big clubs and posh galleries.

We are against!!

ALL MAINSTREAM, COMMERCIALIZE, CONSUMING SHIT OF ANY KIND OF EXPRESSION IN ART, MUSIC AND LIFESTYLE!!

We are against!!

THE GENTRIFICATION PROCESS WHICH TRIES TO EXPULSE US FROM OUR CITY, TO ELIMINATE US, STEAL OUR „SOULS“ PUT IT IN GOLDEN FRAMES AND SELL IT IN GALLERIES .

Our aim is!!

TO CREATE A PLATFORM FOR ALL OF US WHERE WE COME TOGETHER TO EXCHANGE IDEAS, SKILLS, INTERACT

and find ways to resist and defend our alternative way of life. For that we go at the 21 of June in the street because its our playground of communication to demonstrate and make some noise.

RECLAIM THE STREET!

RECLAIM THE CITY!
